even if the available data had been submitted before the date of agreement on price.

(c) When the Contracting Officer determines that the rates shall be reduced and the Government is thereby entitled to a refund, the Carrier shall be liable to and shall pay the FEHB Fund at the time the overpayment is repaid—

(1) Simple interest on the amount of the overpayment from the date the overpayment was paid from the FEHB Fund to the Carrier until the date the overcharge is liquidated. In calculating the amount of interest due, the quarterly rate determinations by the Secretary of the Treasury under the authority of 26 U.S.C. 6621(a)(2) applicable to the periods the overcharge was retained by the Carrier shall be used; and,

(2) A penalty equal to the amount of overpayment, if the Carrier knowingly submitted cost or pricing data which was incomplete, inaccurate, or noncurrent.

1652.215-71 Investment Income.

As prescribed in 1615.470-1, the following clause shall be inserted in all FEHBP contracts based on cost analysis:

INVESTMENT INCOME (JAN 1998)

(a) The Carrier shall invest and reinvest all FEHB funds on hand that are in excess of the funds needed to promptly discharge the obligations incurred under this contract. The Carrier shall seek to maximize investment income with prudent consideration to the safety and liquidity of investments.

(b) All investment income earned on FEHB funds shall be credited to the Special Reserve on behalf of the FEHBP.

(c) When the Contracting Officer concludes that the Carrier failed to comply with paragraph (a) or (b) of this clause, the Carrier shall credit the Special Reserve with investment income that would have been earned, at the rate(s) specified in paragraph (f) of this clause, had it not been for the Carrier's noncompliance. "Failed to comply with paragraph (a) or (b)" means: (1) Making any charges against the contract which are not allowable, allocable, or reasonable; or (2) failing to credit any income due the contract and/or failing to place excess funds, including subscription income and payments from OPM not needed to discharge promptly the obligations incurred under the contract, refunds, credits, payments, deposits, investment income earned, uncashed checks, or

other amounts owed the Special Reserve, in income producing investments and accounts.

(d) Investment income lost as a result of unallowable, unallocable, or unreasonable charges against the contract shall be paid from the 1st day of the contract term following the contract term in which the unallowable charge was made and shall end on the earlier of: (1) The date the amounts are returned to the Special Reserve (or the Office of Personnel Management); (2) the date specified by the Contracting Officer; or, (3) the date of the Contracting Officer's Final Decision.

(e) Investment income lost as a result of failure to credit income due the contract or failure to place excess funds in income producing investments and accounts shall be paid from the date the funds should have been invested or appropriate income was not credited and shall end on the earlier of: (1) The date the amounts are returned to the Special Reserve (or the Office of Personnel Management); (2) the date specified by the Contracting Officer; or, (3) the date of the Contracting Officer's Final Decision.

(f) The Carrier shall credit the Special Reserve for income due in accordance with this clause. All lost investment income payable shall bear simple interest at the quarterly rate determined by the Secretary of the Treasury under the authority of 26 U.S.C. 6621(a)(2) applicable to the periods in which the amount becomes due, as provided in paragraphs (d) and (e) of this clause.

(g) The Carrier shall incorporate this clause into agreements with underwriters of the Carrier's FEHB plan and shall substitute "underwriter" or other appropriate reference for the term "Carrier."

1652.216-70 Accounting and price adjustment.

As prescribed in section 1616.7001, the following clause shall be inserted in all FEHBP contracts based on a combination of cost and price analysis (community rated).

ACCOUNTING AND PRICE ADJUSTMENT (JAN 2003)

(a) *Annual Accounting Statement.* The Carrier, not later than 90 days after the end of each contract period, shall furnish to OPM for that contract period an accounting of its operations under the contract. The accounting shall be in the form prescribed by OPM.

(b) *Adjustment.* (1) This contract is community rated as defined in FEHBP 1602.170-2.

(2) The subscription rates agreed to in this contract shall be based on paragraphs (b)(2)(i) or (ii) of this clause. Effective January 1, 2013 all community rated plans must base their rating methodology on the medical loss ratio (MLR) threshold described in paragraph (b)(2)(i) of this clause unless traditional community rating is mandated in the state where they are domiciled:

(i) The subscription rates agreed to in this contract shall meet the FEHB-specific MLR threshold as defined in FEHBP 1602.170-14. The ratio of a plan's incurred claims, including the issuer's expenditures for activities that improve health care quality, to total premium revenue shall not be lower than the FEHB-specific MLR threshold published annually by OPM in its rate instructions.

(ii) The subscription rates agreed to in this contract shall be equivalent to the subscription rates given to the carrier's similarly sized subscriber groups (SSSGs) as defined in FEHBP 1602.170-13. The subscription rates shall be determined according to the carrier's established policy, which must be applied consistently to the FEHBP and to the carrier's SSSGs. If an SSSG receives a rate lower than that determined according to the carrier's established policy, it is considered a discount. The FEHBP must receive a discount equal to or greater than the carrier's largest SSSG discount.

(3) If the rates are determined by SSSG comparison, then:

(i) If, at the time of the rate reconciliation, the subscription rates are found to be lower than the equivalent rates for the lower of the two SSSGs, the carrier may include an adjustment to the Federal group's rates for the next contract period, except as noted in paragraph (b)(3)(iii) of this clause.

(ii) If, at the time of the rate reconciliation, the subscription rates are found to be higher than the equivalent rates for the lower of the two SSSGs, the carrier shall reimburse the Fund, for example, by reducing the FEHB rates for the next contract term to reflect the difference between the estimated rates and the rates which are derived using the methodology of the lower rated SSSG, except as noted in paragraph (b)(3)(iii) of this clause.

(iii) Carriers may provide additional guaranteed discounts to the FEHBP that are not given to SSSGs. Any such guaranteed discounts must be clearly identified as guaranteed discounts. After the beginning of the contract year for which the rates are set, these guaranteed FEHBP discounts may not be adjusted.

(4) If rates are determined by comparison with the FEHB-specific MLR threshold, then if the MLR for the carrier's FEHB plan is found to be lower than the published FEHB-specific MLR threshold, the carrier must pay a subsidization penalty equal to the difference into a subsidization penalty account.

(5) The following apply to community rated plans, regardless of the rating methodology:

(i) No upward adjustment in the rate established for this contract will be allowed or considered by the Government or will be made by the Carrier in this or in any other contract period on the basis of actual costs incurred, actual benefits provided, or actual size or composition of the FEHBP group during this contract period.

(ii) For contract years beginning on or after January 1, 2009, in the event this contract is not renewed, the final rate reconciliation will be performed. The carrier must promptly pay any amount owed to OPM. Any amount recoverable by the carrier is limited to the amount in the contingency reserve for the terminating plan as of December 31 of the terminating year.

(iii) Carriers may not impose surcharges (loadings not defined based on an established rating method) on the FEHBP subscription rates or use surcharges in the rate reconciliation process in any circumstance.

(6) For contract years beginning on or after January 1, 2009, in the event this contract is not renewed, the final rate reconciliation will be performed. The carrier must promptly pay any amount owed to OPM. Any amount recoverable by the carrier is limited to the amount in the contingency reserve for the terminating plan as of December 31 of the terminating year.

(7) Carriers may provide additional guaranteed discounts to the FEHBP that are not given to SSSGs. Any such guaranteed discounts must be clearly identified as guaranteed discounts. After the beginning of the contract year for which the rates are set, these guaranteed FEHBP discounts may not be adjusted.

(8) Carriers may not impose surcharges (loadings not defined based on an established rating method) on the FEHBP subscription rates or use surcharges in the rate reconciliation process irrespective of whether surcharges are applied to the SSSGs.

1652.216-71 Accounting and Allowable Cost.

As prescribed in section 1616.7002, the following clause shall be inserted in all FEHBP contracts based on cost analysis (experience rated).
